*Speakers*

*Allen & Deanna Cazes*

Allan & Deanna live in Langley B.C. They raised 3 children and now have 10 delightful grandchildren! Their home camp is B.C. Mainland where they, and most of their family, have attended for decades. They are enjoying travel opportunity that retirement now brings. We look forward to hearing them speak on their involvement with CFO and about their experiences with the Lord in the past, present and perhaps what they feel called to in the future!

*Praise and Worship*

*Emily Robertson*

Emily was born into the Robertson family 21 years ago and is currently attending Trinity Western University in Langley, BC. From the age of 12, Emily has served on her church worship team playing the drums, guitar, and singing. Worship is a passion of hers as well as facilitating other people in to His presence. Emily started going to CFO when she was baby... and has been involved since. She says that “cultivating the presence of God is such an honor and should be a daily practice. Worship has nothing to do with us, but all about his worth.” She is so excited to be here this weekend and is ready to see how God is going to move.

**Tim Stephens** will be assisting Emily with Praise & Worship!
