## **Joy Stories – Martha Gregoire**

This is sharing our stories of how God has touched our lives through Jesus and the work of the Holy Spirit.

If we look for these events in our lives daily we will be able to recognize and see His work in our lives so we can give Him the glory and honor.

Joy stories can be about the Blessings in our lives where God meets our need and desires. It can also be about the Miracles where what man can do has reached its limitation and only God can come through for us.

What we share our stories they are really our testimony of God's LOVE, Grace, Mercy, Power, Protection, etc.

From Draw the Circle by Mark Batterson When God answers a prayer, no matter how big or how small, we need to share it. Giving our testimony is the way we give God all the glory. When we share our testimony we are loaning our faith to others. When we listen to a testimony, we are borrowing faith from others.

A testimony or joy story does not have to be formal it is sharing our heart and life with others. When we share our struggles, weaknesses, and doubts with others and how God is there with us it gives hope and courage for others facing their own trials.

## **Joy Stories – Share Some Joy**

1. Briefly tell/write what happened.
2. How did you feel (emotionally and physically)?
3. Why did it matter (lifted mood, learned something, and etc.?)

Collecting Joy Stories—our own, and others'—is a great way to practice appreciation and to encourage ourselves and others. Include stories about people who have encouraged you. Reviewing our collected joy stories can encourage us when we are down.

## **Appreciation**

Practice Appreciation daily. One of the most important habits you can master for the sake of your own brain health and for your relationships is the habit of joy. Practicing appreciation and thanksgiving is an important skill.

Please pray and ask the Lord how you can show appreciation or encouragement to others here by writing a short note and dropping it in the box.

**Our Daylight Podcast** offers a time of meditation, for focused listening and silence. [Join us](#) each weekday in worshipping God and let his Holy Spirit guide your heart to a place of rest and restoration.
