

Camps Farthest Out creates Christian events in various places throughout the world that include people from different backgrounds and churches. CFO was started 85 years ago by Glenn Clark, a layman, coach and educator with a vision to bring people of faith together for a time of prayer and to balance their lives spiritually, mentally and physically ... to grow closer to God and each other. CFO is not a church but enriches a personal journey at home, the church and beyond.

Our Bond of Faith: We take as our Source and Center the leadership of Jesus Christ as the highest concept of the character of God, and we belong to Him alone. In Him we have our power, our peace, our plenty. In Him we live and move and have our being.—Dr. Glenn Clark

**Music Leader
Marilla Jeffers**

Marilla Jeffers - My name is Marilla, and my family and I have been a part of CFO for over 11 years. I work full time at a high school assisting and teaching music and accompanying the choirs on the piano. I have a heart for helping people learn about their identity in Christ, as I have gone through my own journey in learning what it means to be adopted, on earth as well as in the Kingdom. I am grateful for the leadership opportunities CFO has given me in worship, speaking, and youth.

**Devotion in Motion,
Margaret Meyncke**

Always a favorite for fun and loving inspiration, Margaret is a deeply devoted Christian with joy.
