We Recognize One Leader ... Jesus Christ, the Lord

Alex McCullough Speaker

A native of Richmond, Alex is a retired bishop in the Evangelical Apostolic Church of North America and former pastor of Congregation of the Messiah, Eastchester, NY. He taught public school band for 26 years and has performed professionally with many popular dance bands and top vocalists, as well as with symphony orchestras, concert bands and chamber ensembles. On July 29, 1971, Alex gave himself to Jesus Christ and experienced an unexpected spiritual awakening. One week later, attending his first CFO summer camp, he was baptized in the Holy Spirit. Since 1976, Alex has served as a CFO speaking leader throughout North America, and also represented the Council of Leaders on the ACR. God graciously uses Alex in a ministry of healing. He is a North American Warden Emeritus of the International Order of St. Luke the Physician. With his wife, Alice, he has done evangelistic work on four continents. They are the parents of three fine adult children and seven grandchildren. Alex with Alice lives and serves as spiritual director at Oratory of the Little Way, a Christian retreat center in Gaylordsville, CT.

Bryan & Nancy Holland Music/Rhythms

Bryan, involved with CFO since the age of 5, is very active serving in his local inner-city church. He has recently retired from his job after 33 years of being a Respiratory Therapist at a local hospital. He's enjoying this new phase of life going at a different pace of Kingdom Living.

Nancy was raised in a Christian home, and she began joyfully accompanying choirs and worship services in her local church at a young age, as well as at camps, school choruses, children's homes, and jails. Nancy enjoys incorporating a variety of musical styles, which she approaches with enthusiasm, from traditional CFO songs, contemporary praise, to black gospel. She recently retired after 26 years as an orthopedic nurse at a large trauma hospital. She serves in her inner-city church's music and Latino ministries, and enjoys leading music, teaching, and performing Biblical drama for women's retreats.

Bryan and Nancy have been leading worship at various CFOs since 1992. They have 6 grown children and 10 grandchildren

THE FACILITY

The Virginia Diocesan center at Roslyn has provided meeting facilities and lodging for members of the Episcopal diocese of VA as well as other churches and non-profit organizations for more than 80 years.

It was originally a 186-acre horse farm overlooking the historic Kanawha Canal (which was engineered by George Washington to facilitate the movement of soldiers and supplies along the James River).

Roslyn's natural beauty, peaceful atmosphere, and hospitality continue to reflect the faithful and generous spirit of its original steward and benefactress Miss Annie Rose Walker.

WHAT IS C.F.O.?

Camps Farthest Out are interdenominational gatherings in the Unites State and Canada and — via CFO International —around the world. We practice Christian disciplines, emphasizing prayer. We bask in the love of God the Father, enjoy communion with Jesus His Son, and receive guidance from His Holy Spirit, thus becoming the Body of Christ through fellowship together.

CFO was founded in 1930 by Dr. Glenn Clark, college professor, athletic coach, and man of prayer. He taught that trust in God will eliminate self-consciousness, selfishness, and worry. He felt that trusting in the Lord with all our heart results in greater health and happiness, more power for work and enjoyment in play, and enhanced influence for good because we truly commune with God.

The mission of CFO is to provide a Christ-centered, Holy Spirit-led program through which people can discover the Kingdom of God in the midst of today's world.

CFO IS:

- an opportunity to:
- Discover one's TRUE Christ-centered self
 - Learn to pray alone and with others
 - Live in the Kingdom of God, here and now
 - Fellowship with others seeking and finding God.

CFO IS NOT:

...a church. All campers are urged to support the church of their choice faithfully. CFO intensifies effectiveness in one's congregational activities.

...an organization. There is nothing to join. We are rather a living organism, growing through our own relationship with our Lord Jesus Christ.

IN CAMPS FARTHEST OUT (CFO)...

"We take as our Source and Center the Leadership of Jesus Christ... we give Him our complete allegiance and loyalty. We are satisfied to belong to Him and to Him alone. In Him we have our Power, our Peace, our Plenty. In Him we live and move and have our being."
